Step 2
Complete the Account Registration form and click on Register.

Step 3
(1) If the information you entered was submitted successfully, you will receive a confirmation page thanking you for registering.
(2) An email will be sent to the address you used during registration. Within the email you must click on the link to complete your registration.
(3) Once you click on the link, a message will appear saying, “Your account has been successfully verified.”

You now have access to the Profile, Jobs, and Training pages of myCLAC.ca.

Do you work for a CLAC company or have a CLAC retirement plan?

To gain access to your collective agreement, workplace information, and more—including benefits and retirement information, if applicable—follow the steps below.

Step 4
Click on the banner on the myCLAC homepage that says, “Do you have a CLAC ID?”
What if I have benefits or retirement savings with CLAC, but can’t see them when I log in?

If you have provided us with your CLAC ID and birth date, but not the last three digits of your SIN, you will only have access to your workplace information. Once you verify your identity using your SIN, you will have access to your benefits and retirement information.

To gain this access, click on the link under “Access your retirement info & benefits!”

Fill in the missing information. If the information you entered matches CLAC’s records, you will have access to all the services you have through CLAC.

If any information does not match our records, you will receive a message notifying you of this. Please contact your CLAC member centre for assistance.
